STAMP ON THE FRONT COVER

The Town of Norway has been greatly honored this year. The Post Office Department selected a painting by an unknown primitive artist "Winter Sunday in Norway, Maine", as its 1969 Christmas Stamp. The painting is an oil on canvas and was painted about 1870. Reproduced on the stamp is a winter scene of bygone days.

We at the Town Office spent considerable time in trying to place the location painted on the picture but to no avail.

The picture was purchased in an (Antique barn) in Norway, during the late forties for fifty cents by a Miss Jean Lipman. It has been on exhibition in many cities in the United States and several foreign Countries.

The painting is the property of the New York State Historical Association.

The Post Office Department printed 1.6 billion stamps. "Norway, Maine" will always be shown for years in the albums of the stamp collectors.

I would say "Its Norway's American heritage."

Letter of Transmittal

To the Honorable Selectmen and Citizens of the Town of Norway:

For the thirteenth time, it has been my pleasure to present to you our Annual Report.

This year's report is for the fiscal year ending December 31, 1969. It is compiled under the statutory requirements as set forth under M.S.R., Title 30, Section 2203.

My sincere thanks to the Selectmen, employees, the merchants and citizens for their able assistance and cooperation.

Respectfully submitted,

DONALD F. McALLISTER,

Town Manager.

REPORT OF TOWN MANAGER

This is the 172nd annual report of the Town of Norway and it is the 27th year under the Selectmen Town Manager form of Government.

Personnel

There has been several changes in the personnel of our employees. First Horace "Bud" Austin resigned from the highway crew where he had been a member for seventeen (17) years. Next "Betty" Smith resigned to stay at home to look after her son Michael. Last "Delly" Guilford retired as of January 1, 1970. Betty had been a member of the office crew for over sixteen (16) years. Delly came to work for the Town nineteen years ago. All three, "Betty," "Bud," and "Delly" were dedicated workers to the town, their loyalty and honesty was standard ethics and at all times had their hands extended to all those who needed help. Thank you Betty, Delly, and Bud, for your loyalty and cooperation to me.

Selectmen

Robert Orre and William Meserve were replaced in 1969 by R. Donald Twitchell and Peter Montpelier.

Mrs. Beatrice P. Snow was elevated to the Town Clerks Position and Mrs. Olive D. Chandler was employed as our new clerk. David Tilley replaced Barney Gordon on the night shift and Barney replaced Adelbert Guilford as our day Policeman.

Highway Department

This Fall, a promise made several years ago was fulfilled when the State Highway Commission resurfaced Main Street. It was appreciated by everyone and has done much to improve the General appearance of the Town. Within the next two years, it is hoped that the State will widen Main Street and install an adequate drainage system.

The Town removed over 250 elm trees in 1969 and we will have as many more to take down this year (1970). There are but a few New England Elm trees left, it is hard to believe that a bug not much larger than a dot could destroy these large elms.

Our shade tree planting program should be continued. Those that were planted six years ago, are now 20-25 feet tall.

Winter Maintenance cost for 1969 was \$35,000.00. We hope Mother Nature to be more considerate this year. We expected to cut this appropriation back to \$30,000.00.

Town Road Improvement money was used to rebuild the hill on the Kahkkonen Road, and the Jack Heath Road. We also rebuilt a section of the Ralph Watson Road. The 1969 commitments were carried out as voted with but one exception—The State did not replace the traffic light at Advertiser Square. I have been Assured that it will be replaced early this summer as the contract has been let to install it.

Education

Our economy is being squeezed beyond our ability to meet the requirements demanded by education. We have been meeting the demands made at the local level and the State has increased its subsidy payments, but it will not be enough to satisfy the school systems demands this year.

As Tax Collector we had doubled the amount of taxes outstanding at the end of this year over those of last year (\$30,800.-00). This is a serious matter, most people want to pay their taxes but can not do so, and provide for a family on their present income.

Education must find ways to cut its budget. Merchants and Industry as well as private citizens are being hit by every tax on the books—(local-State, and Federal). How long can they stand up under this demand? Not long I can assure you.

We do have an attractive Town and Programs geared to keep it so. The inflationary period is still with us. High interest rates

and high tax rates will not induce industry or many new homes for the immediate future. The selectmen and myself feel that for the present we should "hold the line" and not ask for funds to expand present programs or install new ones. We hope to cut the 1970 budget by 10%.

In 1969 we purchased a used 1963 International T.D. 15 Crawler Tractor. The compressor should be traded and we will have to replace the 1962 G.M.C. Truck.

My report would not be complete unless I mentioned Don Hunt and his crew. They are all loyal, willing workers on call 24 hours a day. They do their work and do it right. Thanks boys. The same for you Bob Butters. To the selectmen and all employees and citizens of the Town of Norway, I thank you for your excellent cooperation.

Respectfully submitted,

DONALD F. McALLISTER

REPORT OF THE NORWAY-PARIS RECREATION COMMISSION

The citizens of Norway-South Paris can be proud of the variety of recreation and leisure time activities which are available to young and old.

More opportunity has been provided for citizens to enjoy themselves as the Recreation Center is now open (7) seven days a week.

The Recreation Commission has established many "firsts" this year such as opening its doors to adults every Wednesday and Thursday nights, lowered the age limit for children to include the elementary age, added the games of Smash, Shuffleboard and started the Movies on a continuous basis. This year the Movies were also shown in surrounding Nursing Homes bringing much enjoyment to everyone. Industrial basketball was started with (6) six teams participating. Outside dances, Playday and Skating Parties made up the special events for the year.

I feel strongly that as a community service, the Norway-South Paris Recreation Commission should have its program re-evaluated for future growth if we are to keep up with our people today and give them some place to go right here in our area. The participation increased at every activity to a total of 80,000 participants.

Through the co-operation of many people a fine program has been developed. With the community rising to new heights and progressive thinking, we can look forward to another fun filled year.

Respectfully submitted,

CAMILLO (Tony)

ANNUAL REPORT OF PUBLIC HEALTH NURSING SERVICES IN NORWAY—1969

The Public Health Nursing Service, in coordination with other health agencies, provides a continuous health service to the people of this community. The following statistics represent initial medical referrals and implementation of medical recommendations for those citizens participating in programs sponsored by the State of Maine Department of Health and Welfare. Continuing work in the field of Health Education, in cooperation with citizens of the community, will further contribute to the health needs of the town of Norway.

Public Health Nursing Service in Norway in 1969 has been done on a priority basis due to lack of permanent personnel. As of November 10, 1969 there is now a permanently assigned public health nurse in Norway.

The following statistics give a broad view of the work conducted by the public health nurse in 1969.

Type of Case	Home Visits	Visits in Behalf of	Admission	Discharge

ANNUAL REPORT CIVIL DEFENSE AND PUBLIC SAFETY

REPORT

To the Selectmen and Citizens of the Town of Norway:
I submit the following report for the year 1969:

First I would like to state I was not appointed Director of Civil Defense for the Town of Norway until late Spring, organized a ten-man Police Force consisting of a Chief, Assistant Chief and Communication Officers, plus seven regulars. All of the Police with cars have radios, and have had good training on the operation of them for communication during emergencies or disasters.

They have caps, shirts and badges, whistles and night-sticks and are well trained how to use all of their equipment. They also have had good training in traffic control and have started a twelve week course in F.B.I. and regular police training such as traffic, arrest, search or seizure. We are planning a First Aid course as soon as the twelve-week Police course is completed.

I want to close by thanking the Selectmen and Town Officers for their cooperation, and especially my Assisant Director, my Chief of Police and Assistant Chief of Police, and all of the Regulars.

Respectfully submitted,

LEON W. ABBOT

Director

I feel that this year we should appropriate \$5,000.00 to be set aside in a fund for the purpose of replacing the Tank Truck. This truck is now 21 years old and has answered at least 90 per cent of the calls over the years. It has worn out three pumps and has had one valve job. If we plan to keep this truck in operation the springs must be replaced, the tires which are 21 years old need replacement. The motor needs a complete overhaul, and rust places should be repaired, and a complete paint job done. Three years appropriations are necessary to purchase a new truck, therefore, if you raised \$5,000.00 this year, another \$5,000.00 in 1971, at which time the truck could be ordered. The remaining purchase price could be raised in 1972 saving you, the tax payers the high interest costs of borrowed money.

Activities

The year 1969 started off with a new face at the charge-out desk and in the work room. Mrs. Leslie S. (Patricia) Dudley was appointed to replace Mrs. Henry (Helen) Brown. Mrs. Brown left the town library to join the staff of SAD 17 in their library complex. Mrs. Dudley is proud to be associated with this town's fine library and will do her utmost to carry on along the same guide lines set up by Mrs. Brown and her predecessor, Mrs. H. Knox Bickford.

Mr. Edwin Terry, Mrs. Robert Harlow, Mrs. G. Freeman Hall and the librarian, Mrs. Dudley, attended a dinner and workshop in Farmington, Maine. These workshops were held in various areas of the state to discuss library policy. We were told that every library should have a written policy on various subjects; such as book selection, book loans, staff tasks, various rules pertaining to library management. The Norway Library has already done this so the Norway Trustees were asked to panel the discussion held at the Farmington meeting.

Four trustees and the librarian of the Norway Library attended the annual Maine Conference of the Maine Library Association, held this year at Shawmut Inn, Kennebunkport.

We have held two well attended and well received puppet shows this past year. One during the Art Festival and Sidewalk Art Show put on this Summer and the last held during the Christmas holidays. A very talented young Norway citizen, Michael Hatch, with his puppet friends gave us: "Cinderella and her glass slipper" and secondly, "Rumpelstiltsken."

The library is also indebted to Mr. and Mrs. Stephen Conant and Robert Conant of Norway for the loan of their fabulous collection of Lenci dolls from Italy. This collection brought many new faces into the library from the local towns and many outlying ones.

We wish to thank The Browning Club; The Gordon Home for Senior Citizens and The Oxford Hills Woman's Club for contributing to our Memorial Book Fund. The library was fortunate in having more than forty memorial books presented us. This is such a worth while cause. It not only helps the local library in adding books to the shelves but it perpetuates a loved one's memory, a friend's or a neighbor's. We cannot thank enough all the donors of these books.

On closing out the old year we are having the interior painted and cleaned. The circulation has risen in the past year and our young people are being helped as best we can in their school work endeavors.

The library and the whole town lost a very dear and dedicated citizen in 1969. We all mourn the death of our Trustee, Mrs. William (Sarah) Gallagher. She worked for and took an interest in her town library for over thirty years. The Trustees have set up a Sarah F. Gallagher Memorial Book Fund in her honor. For all interested in this book fund and making contributions to it, information can be obtained further by calling the library or contacting any of the trustees.

A sincere appreciation to one and all for their help in the past year.

Respectfully submitted,

Patricia L. Dudley

ANNUAL REPORT OF THE ANDROSCOGGIN HOME HEALTH SERVICES, INC.

Throughout the region which embraces Androscoggin, Franklin, and Oxford counties, the program of health care sponsored by the Androscoggin Home Health Services, Inc. (A.H.H.S.) provided 22,500 visits to 624 patients in 1969. The vast majority of these visits were made by professional nursing personnel.

The Androscoggin Home Health Services, a private, non-profit corporation, based in Auburn, has been operative since early 1967. As the only Social Security Administration certified home health agency in the region, it provides Medicare reimbursable services including nursing, physical therapy, and where available manpower permit, occupational therapy, speech therapy, and the services of home health aides. All of these services are provided under the direction of, and in conjunction with each patient's private physician. The majority of recipients are persons 65 and over, but services are in no way limited to this age group.

A prime goal of home health services is to enable patients who are in need of regular part-time professional care to receive it at home when it can be appropriately administered there. For some patients the availability of this service enables them to return home from an institution sooner than might otherwise be possible. Thus there may be psychological as well as economic benefits for the patient and, for the institution, needed beds may be freed for those who are more acutely ill.

Among the programs which provide coverage for the cost of home health care, in addition to Medicare, are Medicaid (Title XIX), major medical insurance, and Old Age Assistance. Also providing financial assistance to selected patients are such programs as those offered by the Veterans Administration, the Division of Vocational Rehabilitation, the Maine Multiple Sclerosis Society, and Blue Alliance. For persons who are not completely covered, or who are only partially covered, the agency charges a fee which is based on individual ability to pay.

The policy is to deny services to no person due to inability to pay. Our ability to maintain this policy is insured, in part, by the financial support which has been made available to us in 1969 by the citizens of your community.

During 1969 the A.H.H.S. provided 1,487 professional nursing visits and 9 visits by a registered physical therapist to 50 patients living in Norway. As we enter a new decade, we look forward to the continuing challenge of providing a meaningful program on home-delivered health care to persons in Norway, as well as those throughout the tri-county region. As we move toward this goal, we look back in grateful appreciation to the support which Norway citizens rendered to us in 1969.

Sincerely submitted,

Richard H. Hooper
Executive Director

An Act Relating to Exemptions From Taxation of Veterans

“Sub-Section III. The polls and estate of all persons who by reason of age, infirmity or poverty are in the judgment of the assessors unable to contribute toward the public charges; the estate up to the value of \$3,500 of all persons determined to be blind within the definition provided by sections 298 to 318, inclusive of chapter 25, who are receiving aid under the provisions of said sections; but no property conveyed to any persons for the purpose of obtaining exemption from taxation under this subsection shall be so exempt, and the obtaining of such exemption by means of fraudulent conveyance shall be punished by a fine of not less than \$100 and not more than two times the amount of the taxes evaded by such fraudulent conveyance, whichever amount is greater; and in case any person entitled to such exemption has property taxable in more than one city or town of the state, such proportion of such total exemption shall be made in each city or town, as the value of the property taxable in such city or town bears to the value of the whole of the property of such person taxable in the state.” (1961 Chapter 59, Sec. 2)

“The polls of all soldiers, sailors and marines who served in the army or navy of the United States in the Philippine Insurrection or any federally recognized war period prior thereto, or who receive state pension; the polls of all soldiers, sailors or marines who served in World Wars I or II or the Korean Campaign who are receiving pension or retirement pay or compensation or vocational training from the United States government on account of disability incurred in or aggravated by service in said wars; and in the estates up to the value of \$3,500 of veterans who served in the armed forces of the United States during any federally recognized war period, including the Korean campaign, who were honorably discharged or honorably separated and retired to the reserve, when they shall have reached the age of 62 years or are receiving any form of pension or compen-

sation from the United States Government for total disability, service connected or non-service connected, as a veteran; and the estates up to the value of \$3,500 of the unremarried widow or minor child of any veteran who would be entitled to such exemption if living, or who is in receipt of a pension or compensation from the federal government as the widow or minor child of a veteran: **provided, however, that no person shall qualify for such exemption unless the veteran upon whose record the exemption is claimed was a legal resident of this state when he entered the military service of the United States or unless such veteran or his widow has been a legal resident of this state for at least 10 years prior to making the claim for exemption; and provided further that any person hereinbefore enumerated who desires to secure this exemption shall file written proof of entitlement on or before the first day of April with the assessors of the town in which he resides, whereupon the assessors shall grant such exemption to such person while so qualified or until notified of reason or desire for discontinuance; but no property conveyed to any person for the purpose of obtaining exemption from taxation under the subsection shall be so exempt, and the obtaining of such exemption by means of fraudulent conveyance shall be punished by a fine of not less than \$100 and not more than two times the amount of the taxes evaded by such fraudulent conveyance whichever amount is greater; and in case any person entitled to such exemption has property taxable in more than one city or town of the state, such proportion of such total exemption shall be made in each city or town, as the value of the property taxable in such city or town bears to the value of the whole of the property of such persons taxable in the state.** — — — —” (1963, Chapter 397.)

AUDITOR'S REPORT

DEPARTMENT OF AUDIT

Augusta, Maine 04330

Board of Selectmen
Norway,
Maine

In accordance with Title 30, Section 5253, Maine Revised Statutes Annotated of 1964, as amended, an audit has been conducted of the financial records of the Town of Norway for the year ended December 31, 1969.

The examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as were considered necessary in the circumstances.

In our opinion, the exhibits and schedules incorporated in this report, present fairly the financial position of the Town at December 31, 1969, and the results of its operations for the period indicated.

Respectfully submitted,

MICHAEL A. NAPOLITANO,

State Auditor

COMMENTS

Scope of Audit

The system of internal control was reviewed as pertained to the handling of cash and other matters of financial concern. Count of cash was made and records checked to determine the accuracy of recorded cash transactions.

An analysis was made of receipts and deposits as well as expenditures and negotiated checks. Vouchers, payrolls and canceled checks were examined for a selected period. Verifications were utilized, on a test basis, to determine the correctness of recorded assets and liabilities.

Excise tax collections were checked by examination of copies of receipts retained by the collector. Trust fund transactions were reviewed and investments verified. Surety bond coverage was examined.

Departmental Operations

The operations for the year showed a gain of \$29,024.06 which was accounted for as follows:

Departmental Balance Lapsed	\$16,293.47
Actual Income Over Estimated	12,730.59
Gain for Year	<u>\$29,024.06</u>

The unexpended departmental balances occurred principally in the town poor, interest and overlay accounts.

The actual income received was \$57,730.59, as compared with an estimate of \$45,000.00 for the year. The additional income was lapsed to surplus.

The following comments pertain to the accompanying financial statements:

Assets The general cash balance of \$6,246.10 and the sewer project cash balance of \$11,448.38 were on deposit in the Norway National Bank, Norway, Maine at December 31, 1969.

Accounts receivable of \$12,111.16 included for the most part monies due from the State for highway and welfare purposes.

Taxes receivable totaled \$31,237.39 of which \$30,761.81 represented current year accounts. Tax liens and tax acquired property amounted to \$3,412.66 and \$2,788.92 respectively.

Liabilities, Reserves and Surplus The departmental accounts showed an unexpended balance of \$31,543.75 carried forward to the ensuing year in accordance with legal requirements and/or customary practice.

The Opera House account closed the year with an overdraft of \$5,185.68 as compared with a balance of \$2,420.83 in the preceding year. The change was attributed principally to remodeling charges during the year.

The unappropriated surplus amounted to \$36,938.16, an increase of \$9,024.06 for the year. This change was occasioned by the net unexpended departmental balance lapsed and the excess of actual income over estimated, less authorized transfers to reduce the tax levy and for summer highway maintenance.

Debt Fund The debt fund, incorporated in the balance sheet as a separate fund, reflects outstanding Opera House notes of \$15,000.00, an equipment note of \$17,000.00 and sewer project bonds of \$500,000.00. These obligations mature during the next eighteen years.

Working Capital Fund . . . The cash balance of \$6,065.62 in the working capital fund was on deposit in the Norway National Bank, Norway, Maine at December 31, 1969.

Current operations showed an increase of receipts over expenditures of \$1,007.25. Receipts totaling \$58,337.82 were derived principally from departmental use of equipment and the issuance of a short term note. Expenditures totaled \$57,330.57, of which maintenance expense, purchase of new equipment and payment of notes were the major items.

Reserve and Trust Funds A capital reserve fund for fire equipment in the amount of \$1,296.11 was on deposit in

the Norway Savings Bank, Norway, Maine at December 31, 1969.

The total amount of trust fund principals was \$9,239.76 and unexpended income was \$24,856.09. These funds are on deposit in the Norway Savings Bank and the Norway National Bank.

GENERAL

The townspeople authorized transfers from accounts with balances to accounts that had overdrafts at the end of the fiscal year. Such transfers have been omitted in this report for clarity purposes and all departmental balances, except those carried forward, are lapsed directly to the unappropriated surplus with the same resulting effect.

The deferred appropriation for ambulance service and a transfer from surplus for summer highway maintenance were authorized by the voters at a special town meeting.
